Viennas first „Top to Toe“ shop

be a good girl is inspiration. Not just for the creative mind but from Top to Toe.

Accordingly, what you may be looking for – and what you will most certainly find – is a carefully selected range of products for you to make your choice from.

An answer, equally individual and many-sided, to the unique demands of the day.

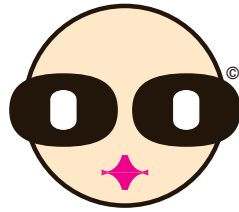

Books, music, bags, watches, jewellery, accessories, shoes, hairstyling, fashion, cult names as well as newcomer labels.

be a good girl is an atmospheric showroom with international flair.

Looking around, be prepared to discover the unexpected, suddenly right up close to you.

Our products are out of the ordinary but never intrusive. Wearability and functionality can always be taken for granted.

A visit to **be a good girl** is just like that ever-rewarding glance in the mirror: from Top to Toe – but with a small step into the future.
